Customers Advisory

Dear Valued Customers,

Notice: **All Debris Must be Removed from Containers Before Empty Return**

This is to remind you that all empty containers **MUST** be returned **completely clean** and **free from any debris** or **residual materials** at the time of empty return at our designated yard/terminal.

If any debris is detected during inspection by Pakistan Customs at the yard/terminal, or by Customs or other relevant authorities at the destination ports upon arrival, following empty container repositioning, the consignee shall be held fully responsible for all resulting fines, heavy penalties, re-export costs and any other associated costs or liabilities.

It has always been a standard requirement for customers to ensure that all dunnage, debris, or any remains of cargo are completely removed from containers before returning them to the designated yard or terminal.

We express our gratitude for your continued support, valued cooperation and remain committed to delivering the highest standard of service at all times.

Thanking You,

United Marine Agencies (Pvt) Limited.
As Agents.
